

Print

Print from the library computers

- Select **Kuorio Print** as your printer and print.
- Type **your email address** and select an optional **4-digit print code** in the popup window and press **"SEND"**.

- Go to the printer and select **"skriv ut"**.

- Select **"Printkod"**.

- Type the **same email address and print code** you used when printing from the computer. Press **"OK"**.

- Press **"print val"**.

- Press **"checkout"**.

Payment methods

Card: Press your credit card on the card reader right next to the printer.

Swish: Open your Swish app and pay by scanning the QR code with your camera on the card reader right next to the printer. If you have an old smartphone you may need a QR app.
