

# Scan to email

## Scan to email

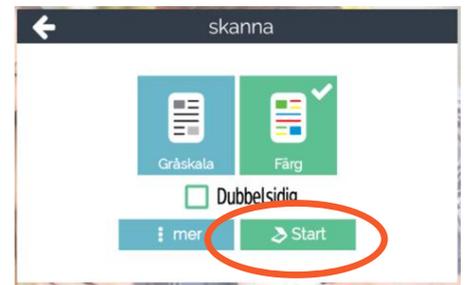

- Select “scan”

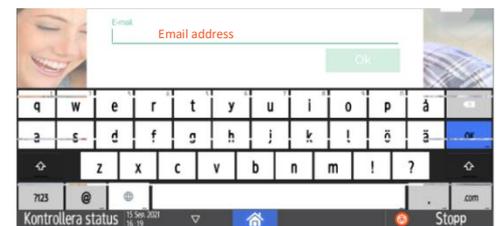

- Select “E-mail”

- Place your original document face down onto the glass surface or face up in the cover tray.
- Select your choice of color “**Gråskala**” (Grey scale) or “**Färg**” (color).
- If desired, select “**Dubbelsidigt**” (Double-sided)
- Press “**start**”

- Type the email address you want to send your scanned image to and press “**OK**”.

- Press “**checkout**” to send.  
If the scanned image can't be found in the inbox it was sent to, check spam folder as well.
